Available: 9:00am, May 2, 2022
Close Date: 5:00pm, May 27, 2022

Introduction
Cox Communications, in partnership with its fiscal partner Arizona Community Foundation, is pleased to invite your nonprofit organization to apply for grants through Cox Charities. This is a special opportunity to receive funding for programs that support one or more of Cox Charities’ three philanthropic cornerstones: Education (with a priority on K-12 and STEAM), Diversity (with a priority on programs serving 80% of more of a target population or serve an inclusion, diversity and equity initiative), and Environment/Sustainability programs (with a priority on water conservation, waste or carbon reduction).

Before you complete your application, determine whether your grant request is consistent with Cox Charities’ philanthropic cornerstones. Should you have any questions regarding your organization's eligibility or need assistance regarding any of the application's questions, please contact the Arizona Community Foundation at grants@azfoundation.org.

Cox Charities awards grants on an annual basis to nonprofit organizations that serve the areas prioritized by Cox Communications. Funds are used to directly support Education (with a priority on K-12 and STEAM), Diversity (with a priority on programs serving 80% of more of a target population or serve an inclusion, diversity and equity initiative), and Environment/Sustainability programs (with a priority on water conservation, waste or carbon reduction) programs in Maricopa, Pinal, Pima and Cochise counties. Individual grants typically range from $1,000 to $10,000. Cox Charities will fund only program-related expenses, including activities, materials and supplies that are directly related to the provision of services, etc., restricted to local needs in Arizona. Funding will NOT be given for general operations or staff salaries/wages. Funding decisions are made by a committee comprised of Cox employees who contribute their dollars to Cox Charities.

Grants are awarded on an annual basis in response to applications from non-profit 501(c)(3) qualified organizations whose goals and programs meet our mission statement. We make every effort to direct our contributions where they can have the greatest impact while addressing the most critical needs.

Please review the Cox Charities grant guidelines carefully and complete all sections. Submissions are due no later than Friday, May 28 via Arizona Community Foundation. Organizations will be notified of funding decision by October 2022.

Thank you for the contributions you and your organization make toward improving our communities in Arizona. Good luck, and we look forward to working with you.
